Invictus '87

Cumberland Regional High School Seabrook, New Jersey

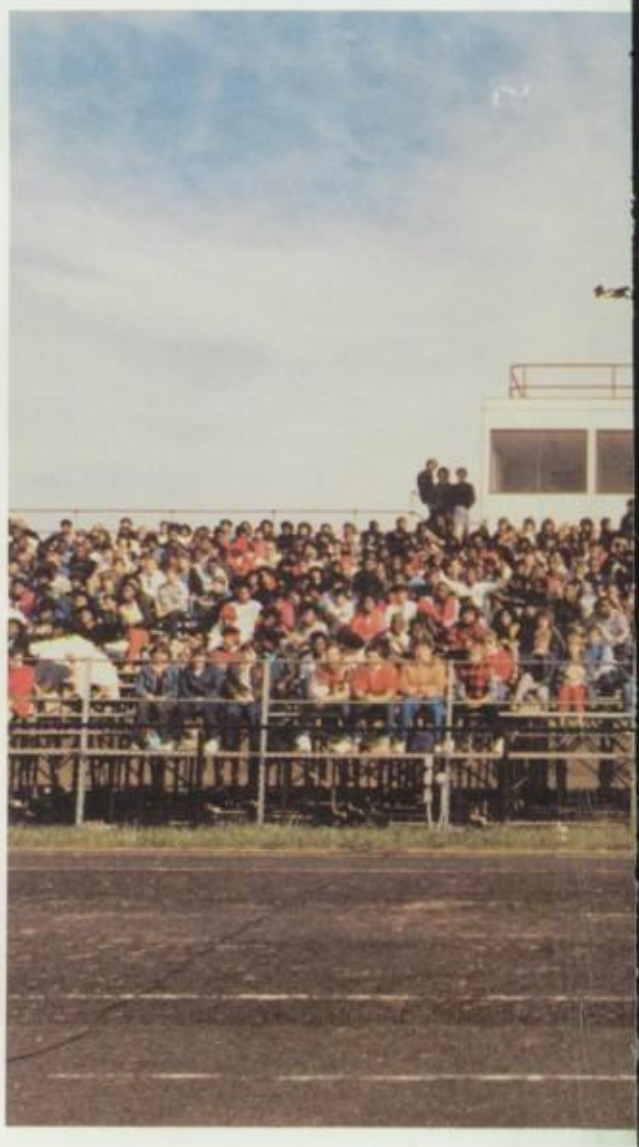
Tenth Anniversary

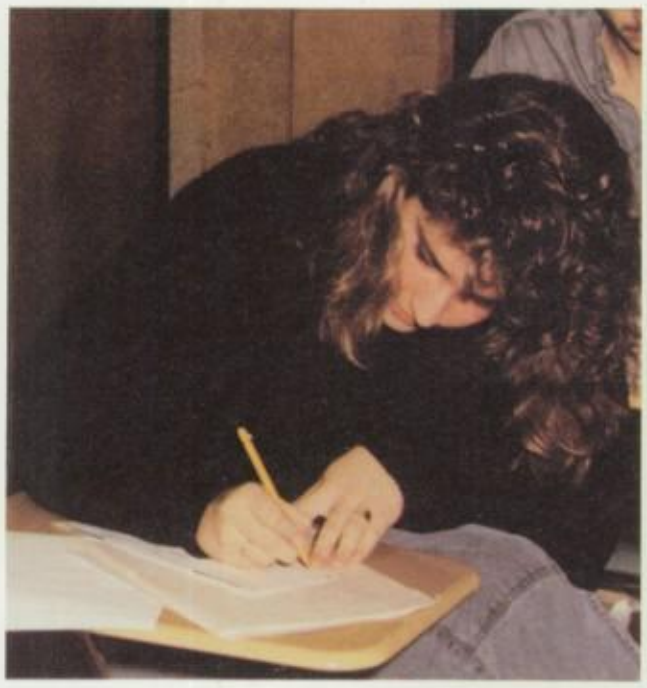
This year's graduating class, the class of 1987, is the tenth class to be graduated from Cumberland Regional. Also, Cumberland Regional High School is ten years old. For those reasons, the *Invictus* yearbook staff has researched the history of the school.

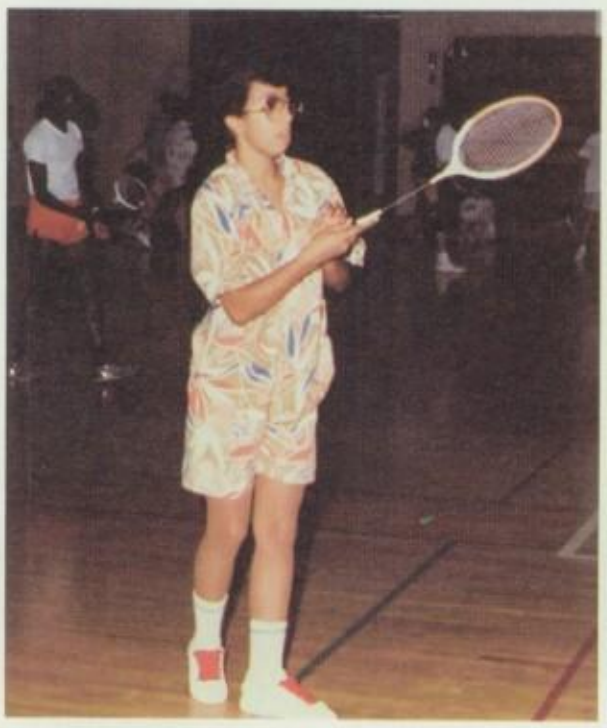
There were two main reasons for building a new high school. First, Bridgeton Junior High School was operating on a swing shift, meaning that half of the students went to school in the morning and half went in the afternoon. This situation made taxpaying parents pay for an entire day of school for their children when their children were only getting a half day. Second, Bridgeton High School was overcrowded and could not provide adequate facilities.

At first, many people were opposed to the idea of building a new high school for many reasons. Some people thought that changes could be made in the existing high school. Some people worried about a possible rise in taxes. Also, some people feared that a spilt would affect interscholastic sports.

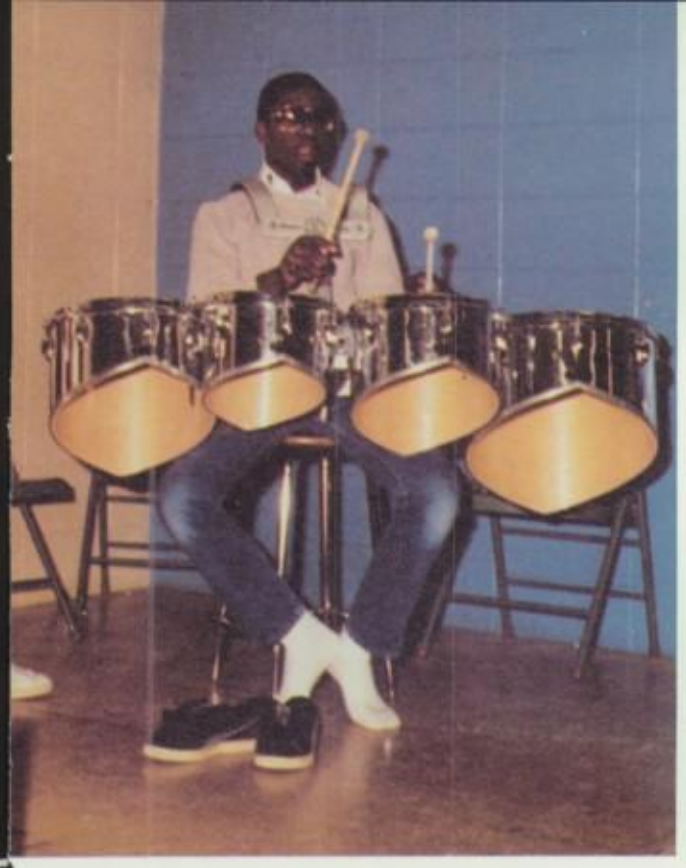
However, the school was finally approved and ground was broken May 12, 1976. CRHS opened on September 14, 1977.

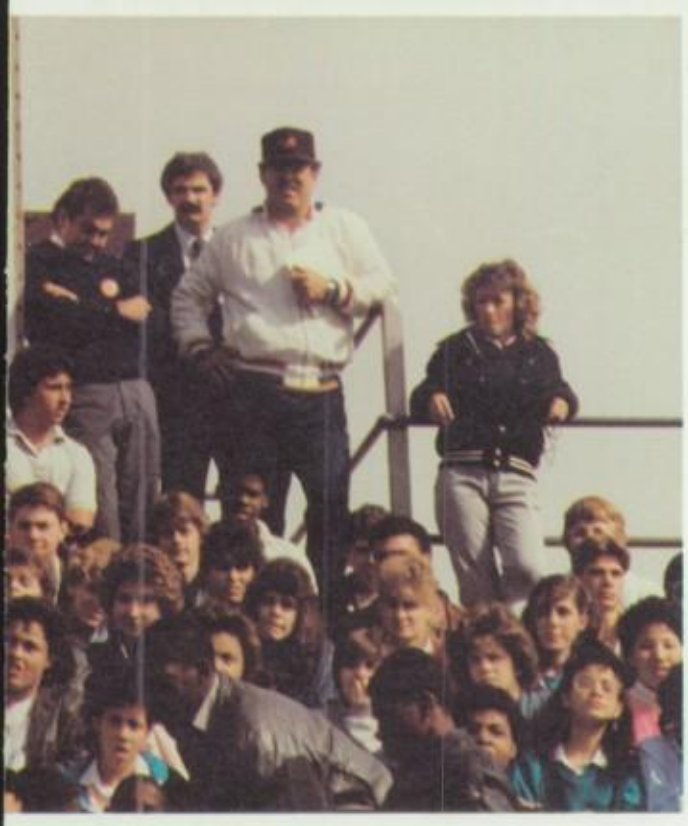






The class ring we would have worn if CRHS hadn't been built.





Our Foundation

CRHS, which spreads over 141 acres of land, was built to accommodate students in grades nine through twelve. Unlike many high schools, CRHS was built with carpeting and private lockers. These aspects of CRHS helped to give the school a warm and comfortable atmosphere. Air conditioning gave CRHS a cool and comfortable atmosphere during the warmer months.

The estimated abount of money needed to build the school was 10.2 million dollars. This amount covered the total construction, legal fees, architect's fees, furniture, the coast of playing fields, sewer costs, and water costs.

The sending districts involved were; Hopewell, Fairfield, Upper Deerfield, Deerfield, Greenwich, Stow Creek, and Shiloh. The sending districts were chosen because they were located outside the Bridgeton school district.

Did you ever wonder who chose the school colors? The students elected orange and brown from a list approved by the Board of Education. Just think, we could have had scarlet and navy!

Our Town

In 1986, Bridgeton celebrated its 300th birthday. The event was marked by an entire year of special events. 1986 was ushered in by a New Year's celebration on the waterfront that included a 300 lb. cake, 300 rounds of fireworks, and a three minute ringing of church bells. The rest of the year was filled with events such as the Tricentennial Parade, The Cultural Festival, The Rock'n Roll Revival, "A" Weekend in Bridgeton (an event which featured the placing of a time capsule), the Civil War encampment, and many more exciting and fun events.

Let us now take a step back into time to quickly review the history of Bridgeton . . .

In 1686, a man named Richard Hancock built a sawmill and workmen's houses on a site near the meeting of Pine Street and Broad Street Bypass. The small settlement gained the name "Cohansey Bridge" in 1716 when a bridge was built across the Cohansey River. In 1749, although it had only 15 buildings, Cohansey Bridge was named the county seat.

The town was known as "Bridgetown" by the time of the Revolutionary War. By that time there were about 200 inhabitants in the town.

By 1800, Bridgetown's population had doubled to 400, a figure which increased to 2387 by 1838. Also by 1838, the town had increased in size to have 475 buildings, and Bridgetown had become quite self-sufficient and had many small businesses and industries.

By the latter half of the Nineteenth Century, Bridgeton had become an industrial center for the area, and its citizens had prospered. The prosperity of some of the earlier citizens is obvious by the appearance of some of their homes in Bridgeton. Many of these fine houses and other historic buildings have been preserved. In fact, Bridgeton's Historic District, with its 2,200 historic structures, is the largest historic district in New Jersey and is one of the largest in the United States. We should be proud to call Bridgeton "Our Town".

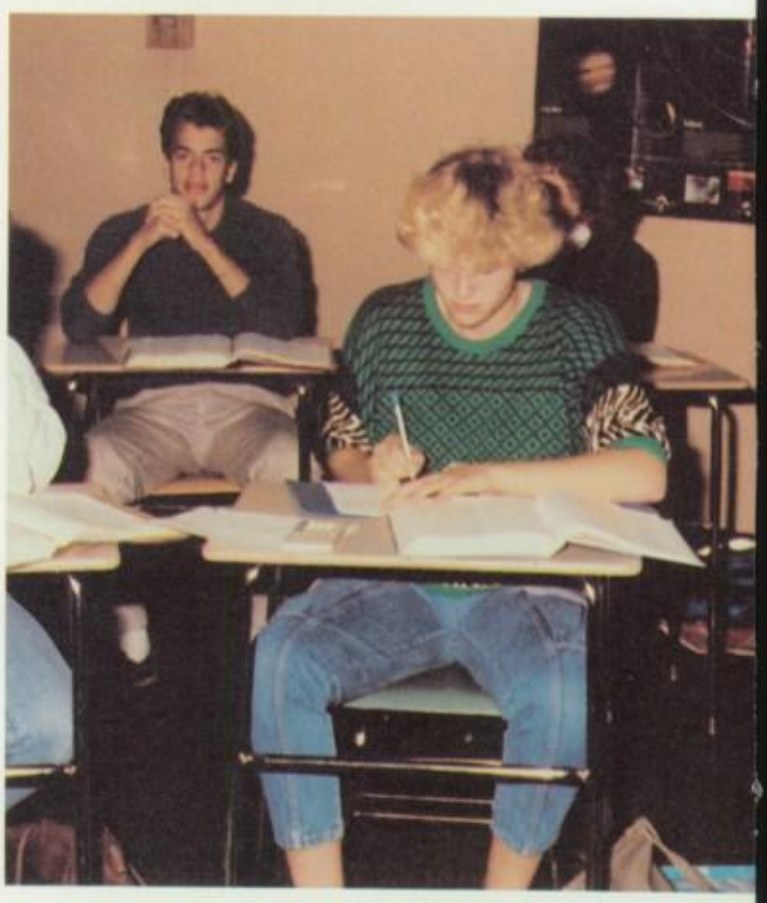
Regional Today



As we reflect on the things that happened over the course of this year, we also should wonder for a minute or two what kids were thinking about in 1978 when they received the first *Invictus* yearbooks. Were they happy or sad that they had left BHS? Did they like their new teachers? Did they miss the friends they had left behind at BHS?

Do you ever wonder what we have in 1987 that people didn't have in 1978? We have different styles *(definitely)*, different concerns, different goals, different social issues, and different music.

CRHS has many different things now, also. For example, we have different clubs. We have the Science Careers Club, the Photography Club, FBLA, Junior Classical League, and many others. Just check out one of the first yearbooks.

Things have changed at CRHS from the 1985-1986 school year, also. This year we were given I.D. cards. We were handed a list of student expectations on the first day of school. We saw our teachers running around with little yellow note pads, trying to catch us embracing (horrors!).

Most importantly, we have changed in either profound or subtle ways-each of us. We aren't the same people now that we were in September. And we will grow still more over the years to come.

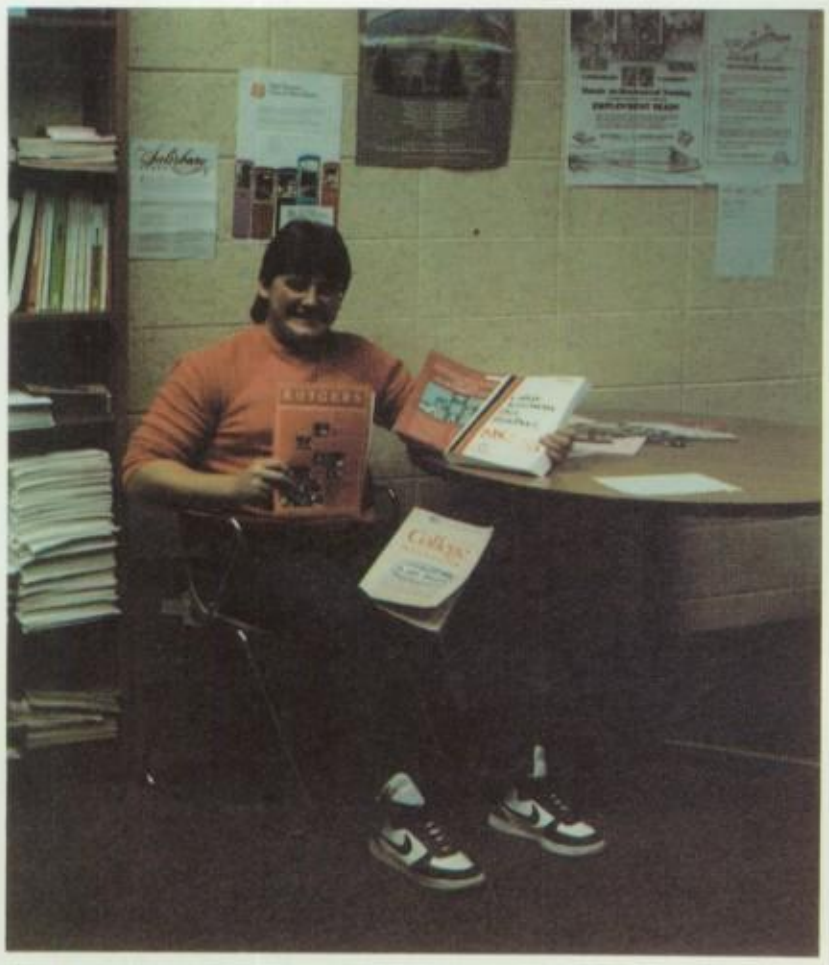
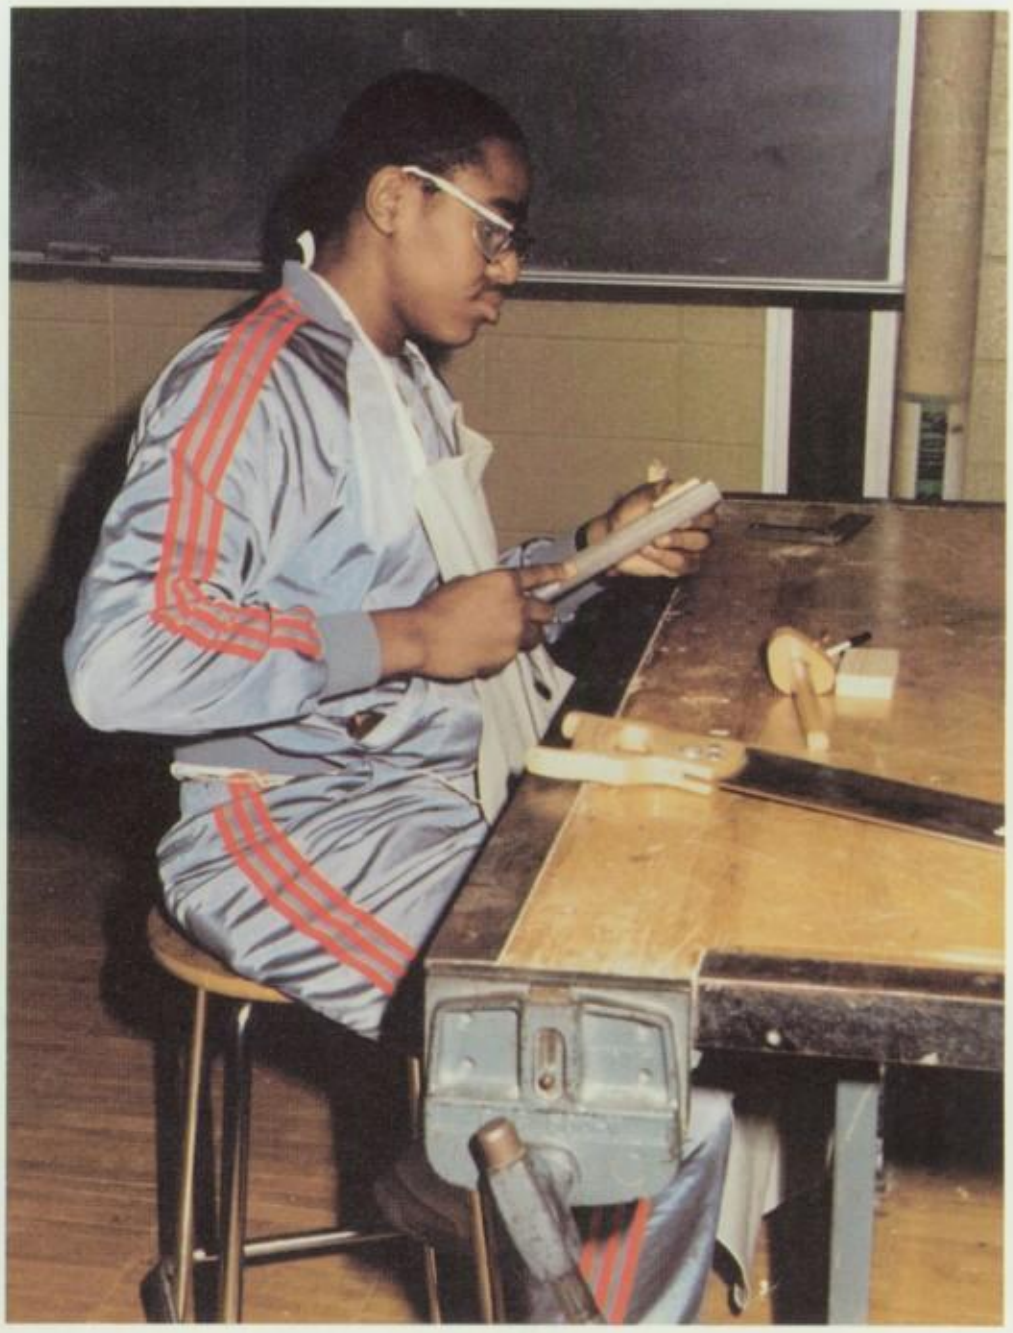
Our Future



Some of us will go to college.



Some of us will be carpenters or craftsmen.

Some of us will be secretaries or businessmen.

Some of us will be artists.

Some of us will be nurserymen.

Others of us will be coaches, gym teachers or athletes.

But some of us will be farmers.

Some of us will be musicians or music teachers.

Some of us will be mechanics.

Class of '87:
The road to "average" is wide and smooth, whereas the path to "excellence" is narrow and filled with challenges.

Therefore, set your goals high, accept the challenge, surmount the hurdles and reach for your dreams.

Best wishes to each class member and thanks for helping to make the "first decade" at CRHS an exciting, successful experience.

You have witnessed a period of transition in student life at CRHS. The mature sense of responsibility and the effective leadership of many of your members have clearly aided our efforts to cope with the problems of change brought about by administrative and curriculum revisions.

As we who stay behind have reason to be grateful, you have reason to be proud of your accomplishments.

In Loving Memory Of
Chad Skompski

Chad was known throughout school for his artistic ability. In the summer of 1985, Chad received the distinguished honor of being chosen to participate in the US-China Youth Art Exchange. His works were displayed in China as well as in the United States.

This year, the Senior Class remembered Chad as they selected their nominees for Best Male Artist in the Senior Superlatives. Although the honor ultimately went to one of our present students, in our hearts we know that Chad was the best.

1968-1986

Chad was one of the best friends I'll ever have - he could always make me smile. I miss him and I'll never stop loving him.

-Gina Sparacio

He may not be here now, but he is in my heart forever. The time we spent together will never be forgotten. He will be my friend forever. Chad, I miss you very much.

-Anthony Riley

Chad could always make me smile. He is a sweetheart and I'll love him and miss him forever!

-Stephanie String

Meet Me, I'm A Danish

Jes is CRHS's second exchange student from Denmark. Currently living at the Gosweiler residence in Fairton, Jes had a difficult time adjusting to rural life (Jes hails from the much more urban environment of Roskilde, Denmark). Nevertheless, he has quickly adapted to the country and enjoys it very much.

Schooling here in America is different in several ways from the schooling in Denmark. According to Jes, students in America don't experience the responsibility that comes with the freedom given to high school students in Denmark. In that respect, schools and parents in Denmark are much more liberal. Also, high school only goes to the 10th grade. After that, students go to college for 3 years at no expense.

Jes Nielsen

Finally, students receive specialized job training to finish up their education.

In his spare time, Jes enjoys skiing, hunting, and vacationing. Vacationing, says Jes, is easier in the U.S. because you don't need a passport or knowledge of another language. One disadvantage, however, is that you can't experience other cultures here as you can in Europe.

Addressing the Senior class, Jes advises "Prov at fa mere ansvarlighed over jerselv" (try to attain more responsibility for yourself). Jes's favorite classes are lunch, although not the food, and Algebra II with Miss Kuhar. He also wishes that someone would explain Mr. Kelk's jokes to him.

Red Cross Club

The Red Cross Youth Club is a service-oriented organization active within Cumberland Regional High School since its inception.

Main activities include an annual blood drive and promotion of health education through yearly health fairs.

Club members recruit students and staff members to donate blood at our yearly Bloodmobile held in April. Our goal is the attainment of 100 pints of blood and in years past we have surpassed our quota due to the excellent response from the student body and faculty members. The Boodmobile is held in the Upper Deerfeild Municipal Building and students are transported to the Bloodmobile stie by shuttle buses which operate hourly. With each passing year the Bloodmobile has met with increasing enthusism in this worthy cause from the school population.

Becoming another new tradition, the 1986 Softball Team was coached under new leadership in Mr. Homan. He and the team did a commendable job trying to keep the tradition of excellence in Colt Softball. At the end of the season, their record was 13-7 overall.

The 1987 Colt Softball team will again have a new coach, Mr. Dunphy. Leading the team as Seniors will be Traci Dimeo, Susan Riley, Kim Caughron, and Jan Pedrick. We are sure the team will be as dedicated and determined as they have been in the past and will continue the CRHS tradition of softball excellence in the future season!

D.J's winning profile

The Colt's Tennis team continued the winning tradition by capturing not only the conference championship but the championship of Group IV in South Jersey. The team had an 18-0 conference record as they defeated a strong Vineland team in three key matches, and had an overall 23-3 state record as they took the Group IV championship away from Cherry Hill East.

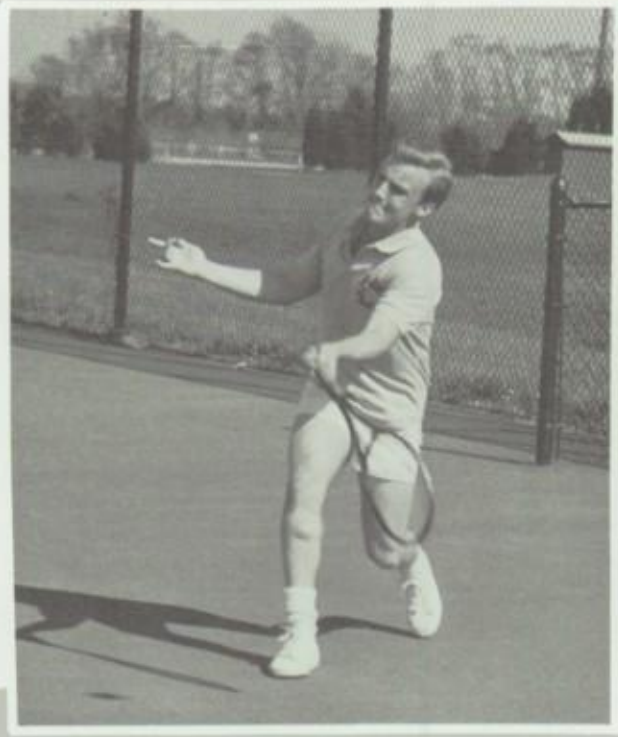
Yeah . . . we play to win.

South Jersey

Co-Captian Moore showed good form

All right who took the Kong Juice?

The team had excellent showings in all areas especially in the #1 and #2 doubles teams. The teams was rounded out by three Varsity letter winners; Mike Taylor, Ron Moore, and Mark Sray. Coach Breech is looking for a strong team, 1987 promises to be another excellent season for the colts.



Sray returns with a baseline shot

Blair displayed interesting form

Chuck eyes- the ball all the way

Brian hitted with great concentration

Colts Track Set The Pace

Look at John. See John run.

Andre sits back and chills.

John clears the hurdle with ease.

In 1986, the CRHS Boy's Track and Field Team maintained their reputation as one of the premier teams in South Jersey. The Colts lost only to Vineland and Ocean City in Conference meets. During 1986, the Colts won over 80 medals as a team. They remained in the top ten in South Jersey throughout the entire season. During the plateau of the season, the Colts won the Bridgeton Relays for the third time in a row.

This year the team hopes to clinch the Conference title while running strong in the Sectionals and States.

Colts always finish ahead.

The 1986 Cumberland Colts had a successful season ending with a record of 5-4 and fourth in an extremely competitive Cape-Atlantic I Division. Coach Kelk would like to thank assistant coaches Erik Ortolf, Jon Wuzzardo, Scott Sheppard, Mike Landon, Ralph Oves, Oscar Torres, and Kevin Dunphy for a job well done.

This year's team captains were Marc Marino, Tom Speranza, and Jim Meyers who, along with the other seniors, provided great leadership in a five game winning streak during the middle of the season including their win at CRHS's first ever night football game against Lenape with a score of 35-6. The seniors also recorded Cumberland's greatest victory defeating Holy Spirit in Absecon 13-7. After this victory, the Colts were ranked 2nd in South Jersey, a conquest never before reached by any Colt Football team. The school was represented by a fine group of determined young men who played hard and exciting football.

Kim shows her defensive technique.

The 1986 Colt Hockey team was again a leading contender in conference and South Jersey action. Reaching sectional finals and playing a special play-off game for conference were a few of the team's highlights. Led by seniors Traci Dimeo, Leigh Ann Walker, Patty Mukoda, Kim Caughron, and Karen Sayre, the team played well and have again earned high respect in the field of hockey. Juniors playing varsity were Nicole Willis, Sharon Hamrick, Shelly Morris, Molly Haggerty, and Stefanie Traveline. Sophomores seeing varsity action were Holly Wulderk, Regina Stevens, Cheryl Coffee, and Tina Skompski. The Colts ended with an overall record of 17-6.

Also working hard, the J.V. and Freshman teams strived to obtain the technique and skill required for varsity play. The now experienced younger players along with the juniors will continue to keep the tradition of success alive in Colt Hockey.

Bet He's glad he didn't miss!

The 1986 Colt Soccer team had an exceptional season under Coach Breech. One of coach Breech's favorite quotes is "Work hard to develop the reputation of being fair, honest, and a good sport. These are the earmarks of a great champion." This year's team certainly proved this quote by setting many team records such as most wins in a season (13), goals scored (60), and their first State Tournament win.

Seniors on the team were Mat Santoro, John Sheppard, and David Weber. Mat and John are both 4 year letter winners and were both chosen for All-Conference, first team. Mat was also chosen for All-Press, first team. Other outstanding players were Andre Buck (14 goals), Drew Diamond, Miki Hudson, and goalie, Jamie Sulzman. The Colt's final record was 13-7 and 12-4 in conference.

The 1986 Girls Tennis Team had a hard time meeting the high expectations the Cape Atlantic Conference holds for the winning tradition at Cumberland Regional. But Coach Carll realized at the beginning this would be a rebuilding year for the young colts.

The Colts led by A. Kim, A. DiJoseph, and M. Giunta at singles and L. Osiboff, A. Yoon, K. Lowe, and J. Blair at doubles attained a record of 6-10 in conference action. Coach Carll expects his 1987 team to be as hard-working and enthusiastic as ever.

Colts stride ahead.

When asked about his cross-country team, Coach DiBiase had a few things to say. One of Coach DiBiase's most memorable meets of the season was the Cumberland-Mainland meet. Defeating Mainland several days after a tough loss at O.C., the team set a record with a 15 second packtime.

The County Championship was remembered also. Everyone was fired up at the meet. When the nick name "Orange Crush" came up, the team painted their hair orange. The Pep Rally was also a very important event, because it fired the entire student body.

Donnel Stafford and Brett Felmey were the team Captains. Seniors on the team were Tom Wagner, Ron Smith, Chuck Games, and Arhtur Ruediger. Outstanding Underclassman on the team were Brant McLaughlin, Eugene Bryant, Paul Yost, Pat Oliver, and Ted Woodside. The season was a good one for the 8-2 Boys Cross-Country Team.

Other outstanding varsity runners were Wendy Krajewski and freshmen Ruth Clark, Elaine Robinson, Tina Pierce, and Lynn Spigelmyer.

Though the Colts were winless, they hope that the hard work and experience gained this year will help them to be more successful next year.

Team Captains Steve Thompson and Greg Adamson

1986-87 has been a year of learning how to win the close games. The starting team was comprised of senior Steve Thompson, juniors Bob Kraft and Anthony "Butter" Burrus and sophomores Terry Parker and Andre Buck. Other contributers are seniors Greg Adamson and James Mack. Every game the team has played was an exciting and hard fought contest.

Good things should be forthcoming for Colt Basketball fans in the future because of the strong showing of the Jayvee and Freshmen teams. They are directed by Ed Foster and Steve Hollenback, respectively.

Athletic Director and Coach Bob Kraft wishes, as one of his goals, to see more students involved in supporting all CRHS activities.

Senior Captain Leigh Ann Walker not only broke 1000 points during her four year career at CRHS, but also the all-time total points scored in girls' basketball at Cumberland Regional. The team boasts a strong underclass roster of: Juniors Nicole Willis, Richelle Dixon, Dee Yates, Teal Jones and Sophomore Darlene Johnson.
